| | |
|--|---|
| Project name | Production of liquid mineral fertilizers |
| Initiator | JSC Uzkimyosanoat |
| Director | + 998 (78) 140-74-74 |
| Project location | Tashkent region, Chirchik city |
| The cost of project | \$35.0 million |
| Contribution to the project by the initiator | \$10.5 million |
| Foreign direct investment is required | \$24.5 million |
| Another source of project funding | \$0 million |
| Average annual production capacity | 120.0 thousand tons |
| Average annual sales revenue | \$700,0 million |
| NPV | \$1 753,58 million. |
| IRR | 445.60% |
| PP | 12 months |
| Of these, buildings and structures | Will be provided during construction |
| Land plot | Will be provided |
| Export | \$140,0 million |
| Number and types of jobs created | 58 |
| Brief description of the project | The project is the creation of a production of liquid mineral fertilizers. The cost of the project is \$ 35 million and the annual production capacity is 120 thousand tons. The main goal is to produce high-quality liquid fertilizers that contribute to increasing agricultural productivity and efficiency. It is planned to use advanced technologies and innovative methods to ensure sustainable and environmentally friendly production. |

We are ready for further cooperation and implementation of joint investment projects.
