Attention: Ministry of Investments and Foreign Trade of the Republic of Uzbekistan

Subject: Requesting a Meeting with Sinosure delegation

Dear colleagues at the Ministry of Investments and Foreign Trade of the Republic of Uzbekistan,

China Export & Credit Insurance Corporation (Sinosure) presents its compliments to the distinguished State Committee of the Republic of Uzbekistan for Investments. As China's only official ECA and the world's largest ECA, Sinosure has provided risk mitigation and credit enhancement for over 50,000 leading Chinese contractors, exporters and investors in their global market activities and our insurance volume in 2018 exceeded 600 billion USD.

We are most honored to notice the vibrant growth in Uzbekistan and the positive trends in the bilateral relations between our countries under the leadership and vision of H.E. President Shavkat Mirziyoyev. Since 2001, Sinosure has continuously committed to this market and we have insured over 3.21 billion USD of general exports, 363.98 million USD of medium and long term projects and 2.3 billion USD of investments undertaken by Chinese companies in Uzbekistan.

We understand that our relations could date back in early years when dialogues between senior executives and working levels of Sinosure and the then State Committee of Investments were fruitfully conducted for several rounds. We also recall with gratitude that a financing-insurance cooperation mechanism was being evaluated by both sides to promote the cooperation between China and Uzbekistan.

In light of the promising prospects and our previous discussions, I am delighted to advise that Mr. TONG Jinyu, Chief Representative of our Moscow Representative Office, would be on a trip in Tashkent between March 14 and 15, 2019. I cordially request that we could resume our previous discussions at your convenient time during his trip.

Please accept our assurance of highest regards and feel free to contact us for any inquiries.

Yours sincerely

LI Hao (Mr.)
