Subject: visiting of Dekhkanabad potash plant

Dear Mr. Shukhrat Vafaev,

As we have initiated our interest on studying the perspectives on investing to Dekhkanabad potash plant during last meetings in Berlin on early January 2019, we kindly ask you to assist on organizing sight visit to potash plant in Dekhkanabad city via Uzkimyosanoat.

We have attached passport copies of our Russian speaking engineers, who will be in Kashkadarya on March 19, 2019.

Hope to get prompt feedback.

Sincerely,

ALEKSANDR BRONSTEIN
Chairman
