Mr. Shukhrat Vafaev
Deputy Minister
Ministry for Investments and Foreign Trade
Tashkent, Republic of Uzbekistan

Dear Mr. Vafaev,

Subject: Site visit to Zarafshan Wind Project Site and Meeting with Navoi Mining and Metallurgy Combinat

We hope this letter finds you well.

In reference to the recently signed Joint Development Agreement related to the Development of a Project Pipeline of 500MW Wind Farm Projects in the Republic of Uzbekistan, we would like to propose a site visit to Zarafshan Wind Project site in order to assess and evaluate the required project development activities on Tuesday 9 April 2019.

Moreover, we would like to hold a meeting with Navoi Mining and Metallurgy Combinat to discuss the grid connection requirements as part of the site visit.

The participants from Masdar include Bert Hagenkort – Head, Engineering and Dias Kamaliyev – Commercial Analyst, Business Development.

We kindly request your feedback on the suitability of the site visit and meeting date and your kind support to facilitate the arrangements for the site visit and meeting with Navoi Mining and Metallurgy Combinat.

Thank you in advance for your feedback and cooperation. We look forward to a successful site visit and discussions.

Yours Sincerely,

Yousif Al-Ali

Acting Executive Director, Masdar Clean Energy
