Dear Sir

Omeco Consortium (omeco.co.uk) was established in UK with the aim of using the latest technology by cooperating with international companies for executing the projects in your country. In addition to Engineering, construction and procurement, the company provides the necessary capital for projects through its banks and financial institutions.

Hereby I can confirm that our company is ready to execute your projects as an EPCF contractor with the following terms:

- 1- Providing 100% of the capital required for project implementation.
2. The required capital is provided against Sovereign Guarantee or the bank guarantee from reputable local banks.
- 3- Maximum construction and grace period for each project is 5 years.
- 4- The payback period is maximum 15 years.
- 5- depending on the type of project, its budget and its location, the annual interest rate is maximum 1.5%
- 6- we try to use as much as possible the capabilities of approved local contractors and suppliers.

In order to proceed we need a brief about your projects and some documents to show that these projects are backed by bank or sovereign guarantee.

Sincerely

Mahdi Matin

CEO

Chief Executive Officer
Omeco Company

Dear Mahdi Matin,

Let me express my appreciation for your interest in financing the perspective investment projects in Uzbekistan on the EPCF basis.

Your letter has been passed on to the sectoral ministries and departments of the Republic of Uzbekistan for their consideration of financing terms' and conditions' compatibility with their set of criteria established in implementation of perspective projects.

Upon receipt of conclusion from the relevant state bodies, the Ministry will revert to you with further information.

Sincerely,

Badriddin Abidov

Deputy Minister
