Dear Sir or Madam,

My name is Anton, I live and work in Tokyo, Japan in one of the leading Japanese Trading companies - Sumitomo Corporation.  
<https://www.sumitomocorp.com/en/jp>

I work in a research and risk Department, Covering Russia and former Soviet republics.

Next month, May 27-28(Mon.,Tue.), together with my Japanese colleagues, I am planning a short business And research trip to Tashkent, aiming to conduct a report about recent political and economic developments in Uzbekistan.

Can I visit your organization and meet with someone of your experts in Tashkent?

I would very much like to establish new contacts with You, know more about reform course of the President Mirziyoyev, and hear your opinion about the future of Uzbekistan and possible areas of cooperation with the foreign investors.

Looking forward for your answer,  
Thank you in advance,

With the best regards,

Anton Goroshnikov
