

Meat processing and sausage production

Processed meat products enjoy quite stable market demand based on long standing local history of meat consumption and preserving meat for longer periods. Production is mainly concentrated in big cities and touristic destinations, thus many local markets are left unattended. With the general trend to increase meat production in the country, processing capacities would have to go along supporting such growth.

PROJECT COST

\$8,5 mln

INVESTMENT NEEDS

\$8,5 mln

CAPACITY

1'248 tons of sausages

LOCATION

Surkhandarya region,
Termez district

PROJECT INDICATORS

IRR: 23,5%
NPV: \$8,3 mln

MARKETS

Local market: 100%

PAYBACK PERIOD

36 months

PROPER INFRASTRUCTURE

Available

Project partner Termez district administration

Support required? - Investment promotion Agency
