

Creation of powers on production of drive shafts and toothed gear wheel for tractor transmission

UzIPA

Investment Promotion Agency
under the Ministry of Investments
and Foreign Trade of
the Republic of Uzbekistan

Purpose of the project

Deepening the localization and cost reduction of manufactured agricultural machines, manufacture of import-substituting products

Investment proposal

01

Sphere

Agricultural machinery

02

Project implementation schedule

Stage 1 – 2019;
Stage 2 – 2nd quarter of
2020

03

Place of project implementation

Mirzo Ulugbek district,
Tashkent, Uzbekistan

04

Initiator

JSC “Tashkent plant of
agricultural machinery”
LLC “Invest Agro”

Investment proposal

Total cost of the project

12,2
mln. USD

Composition of main costs

Major technological
equipment, accessory
equipment, construction
and assembly works

Characteristics of the planned production release

Short and long shafts, toothed
gear-wheel in assortment

Design specifications and estimate developments of project are started.

On November 13, 2018 the contract № BIMAKSAN-TQXTZ 2018/1 was signed between JSC “Tashkent plant of agricultural machinery” and “BIMAKSAN MAKINA SANAYI VE TICARET KOLL STI ENGIN DENIZ VE ORTAGI” (Turkey) on delivery of 5 units of lathe machines with numerical program control (total cost is 361 thousand USD) was carried out.

Current status of the project

Quantity and types
of created work
positions

85

units

Current
infrastructure

Under
reconstruction

Information about
the construction
area

Is being defined

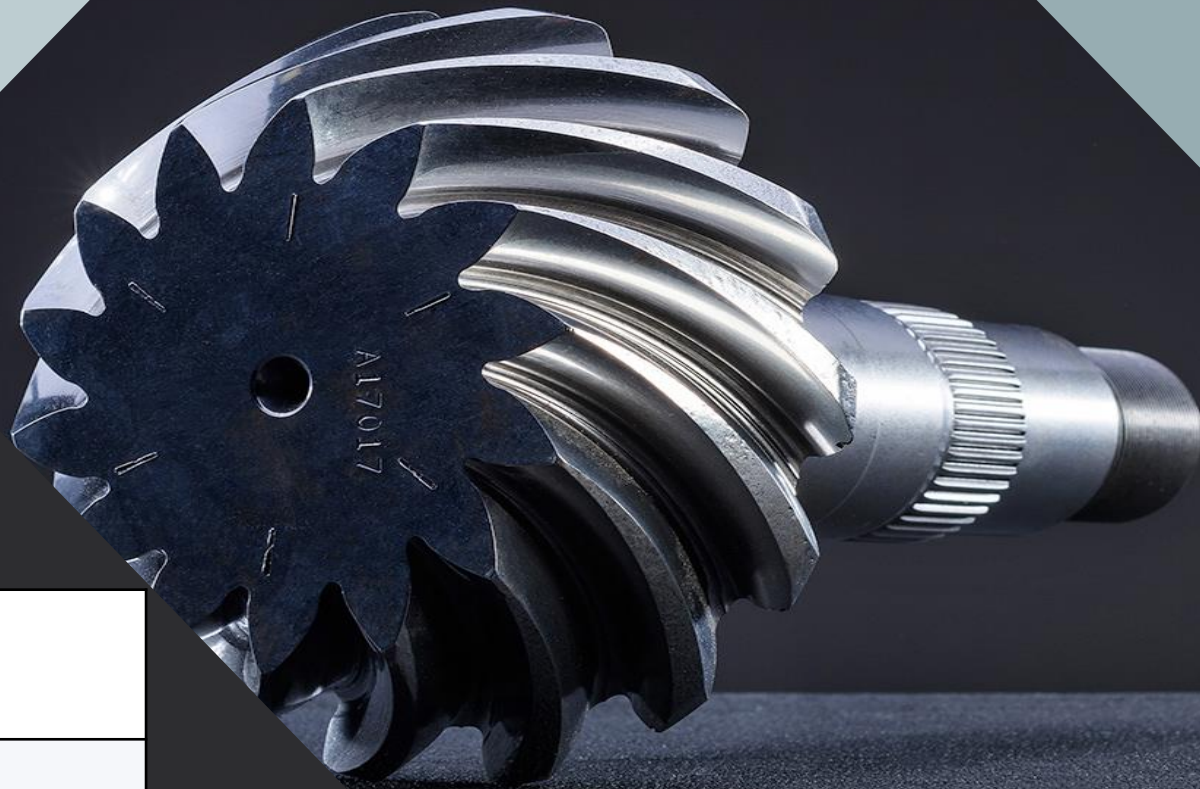

General Information

Market analysis

Type of the products
long and short shafts
toothed gear wheels in assortment

Annual output

26,0 mln. USD

Internal

22,25 mln. USD

Export

3,75 mln. USD

**THANK YOU FOR
THE ATTENTION!**
