

PROJECT PASSPORT

Project name	Production of biogas and fertilizers based on organic agricultural waste
Initiator	Ltd "QOSHMON ABDUSAID"
Director	D. Ergashev +998 90 250 20 01
Project location	Jizzakh region, Gallyaralsky district
The cost of project	\$3.5 million dollars.
Contribution to the project by the initiator	\$0 million dollars.
Foreign direct investment is required	\$ 3.5 million dollars.
Another source of project funding	\$ 0 million USD
Average annual production capacity	2.5 million cubic meters
Average annual sales revenue	. \$ 0.88 million USD
NPV	\$ 3.18
IRR	millionUSD 20.10%
PP	5.93 years old
Of these, buildings and structures	It will be provided during the construction process
Export	\$0.1 million USD
Number and types of jobs created	50 jobs
Brief description of the project	The project provides for the production and sale of Biogas (BIO CNG) as a motor fuel. The project already has a source of raw materials, a CNG station, and a land plot for construction. The funds raised will be used for the purchase of equipment and the construction of a Biogas complex

We are ready for further cooperation and implementation of joint investment projects.
